

Urban Paving are your trusted experts in quality landscape supplies.

At Urban Paving we stock a extensive range of landscaping materials to suit any project — from home gardens to large commercial spaces. Our bulk landscaping range includes soils, composts, mulches, aggregates, and decorative stones, along with a wide selection of pavers to finish the look. From small garden projects to large commercial sites, we've got the products and expertise to support you every step of the way.

We're also proud to supply the civil and roading sector through **Urban Civil**, and New Zealand's farmers with our durable, practical **Smart Troughs**.

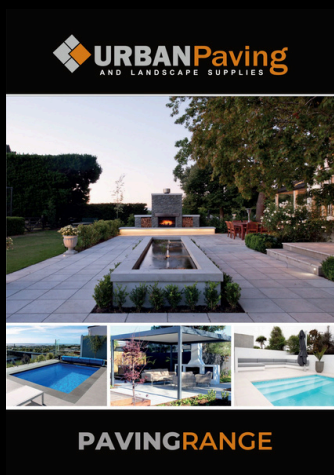

Visit us at **575 Sawyers Arms Road, Christchurch**, to explore our full range, or browse our range online.

Our friendly, knowledgeable team is always ready to help bring your project to life.

Decorative Stones, Chips & Boulders

Natural beauty for every landscape.

Enhance your outdoor space with our range of decorative stones, chips, and boulders - perfect for gardens, paths, driveways, and feature areas. These natural materials add texture, colour, and depth to any design. From fine chips to feature boulders, our selection suits a variety of styles. Durable & low-maintenance, they offer a polished look that lasts.

Amuri Limestone Chip
12-20mm

- Neutral off-white limestone chip
- Ideal for paths, driveways, and garden features
- Soft tone for a clean, elegant look

Blackstone Chip
15mm

- Ideal for paths, driveways, and garden features
- Sleek, modern black finish
- Bold, contemporary look

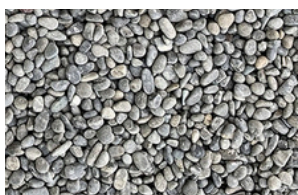

Blackstone Chip
50mm

- Bold, chunky black stone
- Great for gardens, pots, and water features
- Adds texture and strong visual impact

Greystone Chip
13mm

- Ideal for driveways, paths, & garden beds
- Durable with a clean, natural look
- Provides great drainage and surface stability

Greystone Round Stones
13mm

- Natural, smooth grey riverstones
- Ideal for elegant outdoor spaces
- Timeless & versatile look for any project

Greystone Round Stones
19mm

- Smooth, natural grey riverstones
- Perfect for stylish outdoor spaces
- Classic and adaptable for any landscaping project

Greystone Tailings
20-40mm

- Versatile larger grey stones for ground cover
- Ideal for general landscaping use
- Practical and low-maintenance solution

Ivory Chip
10mm

- Clean white limestone chip
- Perfect for driveways, paths, borders & patios
- Durable, low-maintenance & reflective

These products are available by the cubic metre (m³), by the scoop (1/3 m³), or in 20L bags.

Decorative Stones, Chips & Boulders

Ivory Chip

20mm

- Bright white limestone chip
- Great for driveways, paths & garden features
- Durable, low-maintenance & reflective

Ivory Chip

50mm

- Striking chunky white limestone chip
- Great for gardens, driveways & feature borders
- Durable & low-maintenance

Pea Gravel

6mm

- Small, smooth decorative stones
- Great for landscaping and practical uses
- Ideal for fill and pipe surrounds

Resurgence Chip

20mm

- Angular & naturally shaped stone chip
- Light grey, beige & tan tones, with a textured finish
- Ideal for driveways, paths & general landscaping

Shotover Schist

25-40mm

- Natural white, grey & green blend
- Ideal for paths, gardens & water features
- Also used in Exposed & Honed pavers

Westland Flat Stones

Large 130mm-200mm

- Grey stones sourced from the West Coast
- Ideal for bold garden features & paths
- Adds strong visual impact to outdoor spaces

Westland Flat Stones

Medium 70-130mm

- Grey stones from the West Coast
- Great for garden & water features & paths
- Natural and stylish appearance

Westland Flat Stones

Small 25-70mm

- Grey stones from the West Coast
- Ideal for paths, borders, and feature areas
- Adds natural elegance to indoor or outdoor spaces

Boulders

Create a bold, natural focal point with our selection of unique boulders. No two are the same, so we recommend visiting in person to hand-pick the perfect piece for your space. Prices typically range from \$100 to \$250.

These products are available by the cubic metre (m³), by the scoop (1/3 m³), or in 20L bags.

Barks, Soils & Compost

Arbor Chip

- Affordable mulch from chipped trimmings
- Ideal for large gardens, orchards & commercial use
- Controls weeds & retains moisture at 100mm depth

Black Bark

- Deep black colour for modern landscapes
- Suppresses weeds & retains soil moisture
- Eco-friendly, locally sourced bark

Double Black Bark

- Rich, double-dyed black mulch for bold landscapes
- Longer-lasting colour for striking contrast
- Helps control weeds & keep soil moist

Forest Floor Bark

- Golden-brown 20–40mm mulch
- Locks together for wind & bird resistance
- Controls weeds & stabilises soil temperature

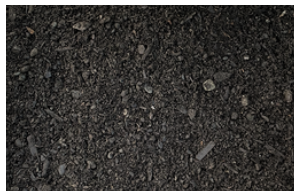

Premium Medium Bark

- Decorative 20mm bark for a natural finish
- Controls weeds & retains moisture at 100mm depth
- Stabilises soil temperature to protect roots

Premium Mulch Blend

- Golden-brown bark mulch with neat, natural finish
- Locks together—great for windy areas & deterring birds
- Controls weeds & retains moisture at 100mm depth

Bio Blend Compost

- Rich compost blend of bark, green waste & mushroom
- Improves soil, nutrients & water retention
- Weed-free & ideal for garden beds

Garden Mix Soil

- Compost & bark blend, nutrient-rich
- Improves soil & moisture retention
- Great for flowers, herbs, veggies & gardens

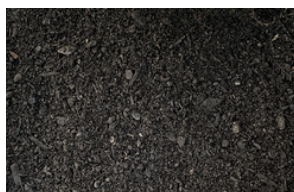

Lawn Construction Mix

- Affordable blend of compost, sand & soil
- Retains moisture & aids seed germination
- Perfect for lawns & ground preparation

Lawn Topdressing Mix

- Blend of sand, soil & peat for lawn topdressing
- Ideal for over-seeding & lush growth
- Free-draining & rich in organics

Organic Compost

- BioGro certified Organic Compost (pH 7–7.5)
- Perfect with bark mulch
- Enriches soil & boosts plant growth

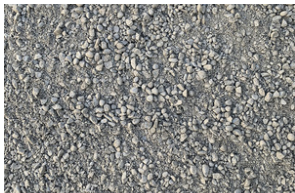

Screened Topsoil

- Screened soil with smooth texture
- Ideal for gardens, and lawns
- Nutrient-rich for healthy growth

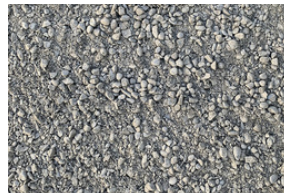

These products are available by the cubic metre (m³), by the scoop (1/3 m³), or in 20L bags.

Construction Aggregates, Sands & Timbers

Basecourse AP20

- Crushed base for driveways, paths & paving
- Recommended to lay at 80–150 mm deep
- Compact for a solid foundation

Basecourse AP40

- Base for driveways, paths & paving
- Recommended to lay at 80–150 mm deep
- Compact for a stable foundation

Premix

- 13mm Premix (Builders Mix) of washed sand & stone
- Ideal for concrete bases, general work and foundations

Crusher Dust

- Fine aggregate with silts, similar to plastering sand
- Ideal for bedding pavers
- Compacts to a smooth, stable finish

Golden Sand

- Premium Oamaru sand for golden/cream mortar
- Complements light blocks & bricks
- Also suitable for sandpits; may stain light clothing

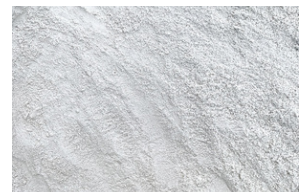

Plastering Sand

- Medium sand for plaster, concrete & drainage
- Ideal for pavers, gardens & general use
- Sandpit-friendly; non-staining with good drainage

Brick Sand

- Medium-grade grey sand ideal for bricklaying
- Produces smooth grey mortar for clean finishes
- Ensures a professional look for brickwork

White Sand

- Pure White Silica Sand from mid Canterbury
- Ideal for white mortar, grout & light-colored bricks/pavers
- Perfect for sandpits & astroturf infill

Timber Boxing

- Strong & durable for outdoor use
- Ideal for borders, mowing strips & edging
- 6m lengths: 100x50 mm or 75x50 mm

- H4 treated for durable outdoor use
- Great for boxing, edging & structures
- Bundles of 25: 50x50x450/600mm, 75x25x450/600mm

Macrocarpa Sleeper

Add rustic charm with our durable Macrocarpa Sleepers - ideal for steps, raised beds, retaining walls, benches, walkways, and more. Available in 200mm x 100mm, 2.1m or 3m lengths.

These products are available by the cubic metre (m³), by the scoop (⅓ m³), or in 20L bags.

Cements, Mortars & Sealers

Cemix Cemplus

1 & 5 Litre

- Boosts workability and bond strength
- Reduces cracking and water absorption

Masons BrickTies

90 & 110mm - Bucket of 250

- Secure veneer-to-frame connection
- Hot-dip galvanised for durability
- Stable in wind, quake & coastal zones

Drymix Mortar Mix

20kg

- Premium blend for brick and block work
- Easy to handle and apply
- Strong, durable finish

Drymix Pavaset

20kg

- Fast, easy joint filling for pavers
- Durable for high-traffic areas
- Fits gaps up to 20mm

Holcim General Purpose Cement

20kg & 40kg Bags

- Strong & consistent
- Exceeds NZ quality standards
- Versatile for concrete, mortar & grout

Hydrated Lime

20kg

- Improves workability & strength
- Retains moisture for lasting mortar
- Versatile use in construction, agriculture, & home projects

Aalborg - White

20kg

- Superior whiteness and strength for a clean, bright finish
- Ideal for architectural, decorative, and coloured concrete applications

Strongcrete 15 Minute Concrete

20kg

- Fast-setting and ready in 15 minutes
- Pre-mixed for quick, easy use
- Strong, durable finish for multiple projects

Strongcrete Regular Concrete

20kg

- Easy mix—just add water
- Delivers durable, reliable strength
- Perfect for DIY and professional use

Dry Treat Stain Proof Sealer

18L 3.79L & 946ML
Impregnating & colour enhancing options.

- Long-lasting water & oil protection
- Easy cleanability
- Designed to work seamlessly with natural stone.

Peter Fell Glaze Sealer

2L & 5L

- Solvent-based acrylic 'wet look' finish
- High-solids, high-quality resin
- Thick, durable, long-lasting coating

Coloured concrete options.

Our coloured concrete range is available in a beautiful selection of shades to suit any style, from traditional to contemporary.

Whether you're creating a standout feature or aiming for a seamless blend with your surroundings, we have a colour to match your vision.

Choose from warm earthy tones like Cappuccino, Terracotta, & Driftwood, or opt for cool modern neutrals like Urban Grey, Mist, or Charcoal for a sleek, sophisticated finish.

Concrete Landscaping Products & Stonelock

Concrete Log Round Paver

This decorative concrete stepping stone resembles a tree trunk cross-section, featuring a circular, irregular shape with realistic growth rings & bark texture. Available in Coloured and Natural Concrete.

Size: 460mm

Concrete Round Paver

Create charming pathways & garden features with Urban Paving's Concrete Round Pavers. Ideal as stepping stones to your clothesline or through the garden, and available in Natural, Coloured & Exposed Aggregate Classic finishes.

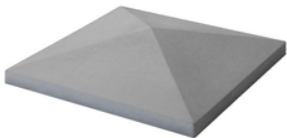

Sizes: 340mm & 430mm

Concrete Tree Ring

Create a tidy, decorative border around feature trees and shrubs with Urban Paving's Concrete Tree Rings — a practical and stylish way to finish your landscape design. Available in Coloured and Natural Concrete.

Sizes: 350mm & 600mm

Pyramid Cap

Add a polished, stylish finish to your pillars and elevate your property's look. These caps create a timeless, refined touch that suits any outdoor design.

Sizes: 325mm, 425mm, 560mm & 670mm

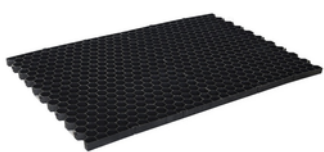

Lawn Borders

- Create clean, defined lawn edges and mowing strips
- Durable pavers for a tidy, finished look and reduced maintenance
- Finishes: Natural & Coloured
- Size: 500 × 100 mm

Stonelock

- Locks pebbles and stones for a stable, free-draining surface
- Material: Recycled or virgin PP, UV & chemical resistant
- Sizes: Medium 800x1150x30mm/0.92 m²
- Load: 120 t unfilled / 300 t filled
- Use: Paths, patios, driveways; light-heavy traffic friendly
- **Please note:** This product can be used with larger pebbles and stones; however, they may not lock in place as securely as the recommended 5–10 mm aggregate
- Available in black and white

Paving Range

Concrete

We've been crafting premium concrete pavers for over 30 years, combining quality, durability, and timeless style. With decades of experience, our team continues to refine and perfect every product we make. Our pavers are available in a wide range of sizes, colours, and textures-including Smooth, Sandy, Exposed Aggregate, Honed, and Yorkstone-so you can find the perfect fit for any outdoor project.

Porcelain

Outdoor Porcelain Paving combines style, durability, and practicality for New Zealand's outdoor spaces. Kiln-fired and very dense, these pavers offer excellent stain, colour, and slip resistance-ideal for pools, patios, and high-traffic areas. They're low maintenance and built to last, making porcelain a smart, long-term and stylish solution for any outdoor project.

Natural Stone

Add timeless beauty and lasting durability to your outdoor space with our Indian Sandstone, Bluestone, and Granite pavers, each offering unique colours, textures, and natural character. Perfect for patios, pathways, pools, and landscaped areas, these pavers combine functionality with elegant style.

At Urban Paving and Landscape Supplies we offer **custom natural stone** options, allowing you to tailor the look, colour, and finish to perfectly suit your design vision and create a truly one-of-a-kind outdoor space.

*"At Urban Paving, your design ideas are only limited by your imagination.
Let us help you create something truly distinctive."*

**Supplying quality paving and
landscape products for over
30 years - trusted NZ wide.**
